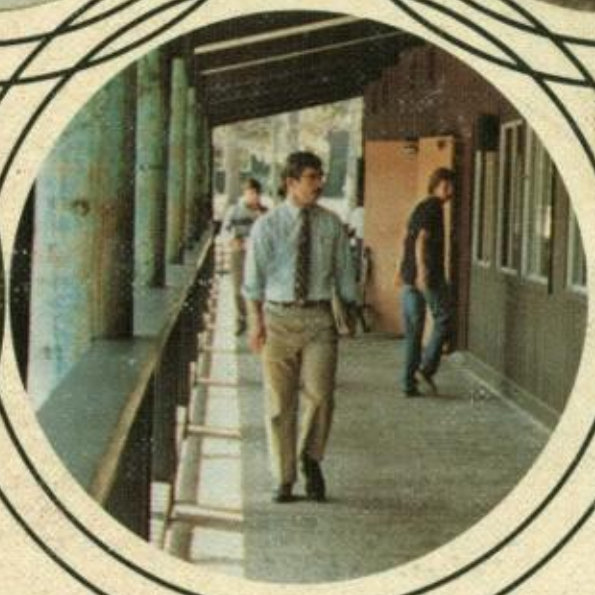
SPYGLASS



1984

Alex,

Hey girl. I'm on my way to Hawaii! Thx u me, I'm rockin' your smile couldn't make my days at KLS. You are one class girl. I'm really glad you changed person and I appreciate your year-inspired to be a vegitarian. Seriously! Please accept this cruise as a token of my appreciation for taking my rock all fixed

(Also I'm leaving your present

GOING FOR THE GOLD

Alex,

I don't know exactly what to say. More than anything, I'm happy for you. I'm happy you're enjoying your senior year and I'm glad to see you seem to be enjoying yourself. I was concerned because I saw a very special person that I feel very close to that wasn't enjoying herself. But why dwell on the past? Everything is seem going great. There's a certain quality which I don't know quite how to describe, but when I'm around you come across as being so warm and sincere that you make me feel better just being around. That is a very unique quality that sets you apart from almost anybody else I've come to know well. I'm ~~future~~ sure your future will hold the very best for you. I hope we can get together some in the summer to talk and have BBQ's or whatever else. Thank you for being yourself.

Love always,
Bart

Alex, It has been fun getting to know you during the tennis season. Good luck with everything.

your friend Chris

Alex - I've really had a great time here for four years but the time I had this past few months knowing you were the best. We had a great time on the team and you know we all really appreciate what you did. Thanks a lot for that picture - have a great summer and an even better time at Berkely - I know you'll have no trouble doing that. Love, Brian

Alex,
I'm sad I didn't get to know you better this year. Thanks so much for the KSPB job. Even though I didn't know what the hell I was doing. It's the end of the year and everybody is crying about leaving their friends, but this time I'm just gonna say 'have fun in life.' I still will miss your smile and your evervescent maturity, but I might come over and visit you at Berkeley (If you'll let me!), so there really is no need for goodbyes. Have an incredible amount of fun in life and in college. I'll miss you.
Love always - Steve Locke

Alex, I wish this year to have been better for you. I'm sorry that I haven't been able to meet you earlier in the year. We've talked a good deal. You are a special person, unique in all ways. I have liked you in the few times that we have talked. I hope that you get the best. I wish you the best of luck to you in the future and I hope that you succeed in whatever you choose. We'll be more than friends. I have fun as Berkely. Please meet a new friend. Good luck and God bless.

your friend, David Mauck

Introduction

Competition. It is an undeniable facet of our life at RLS. We are engaged in it every day: whether taking a math test, trying out for a play, or straining to win a race. It is a positive force, and soon becomes as natural as breathing. Each individual adjusts to the pressure, utilizing it to bring out otherwise untapped potential. It is not beating others that is stressed, but aiming for that personal best. Perhaps we won't always make the grade, get the part, or win the race, but we are compelled to look beyond petty jealousy to recognize and support these who do. This sportsmanship has sparked many lasting friendships, and is extended to even our fiercest rival schools. Through self-discovery we find respect and admiration for others.

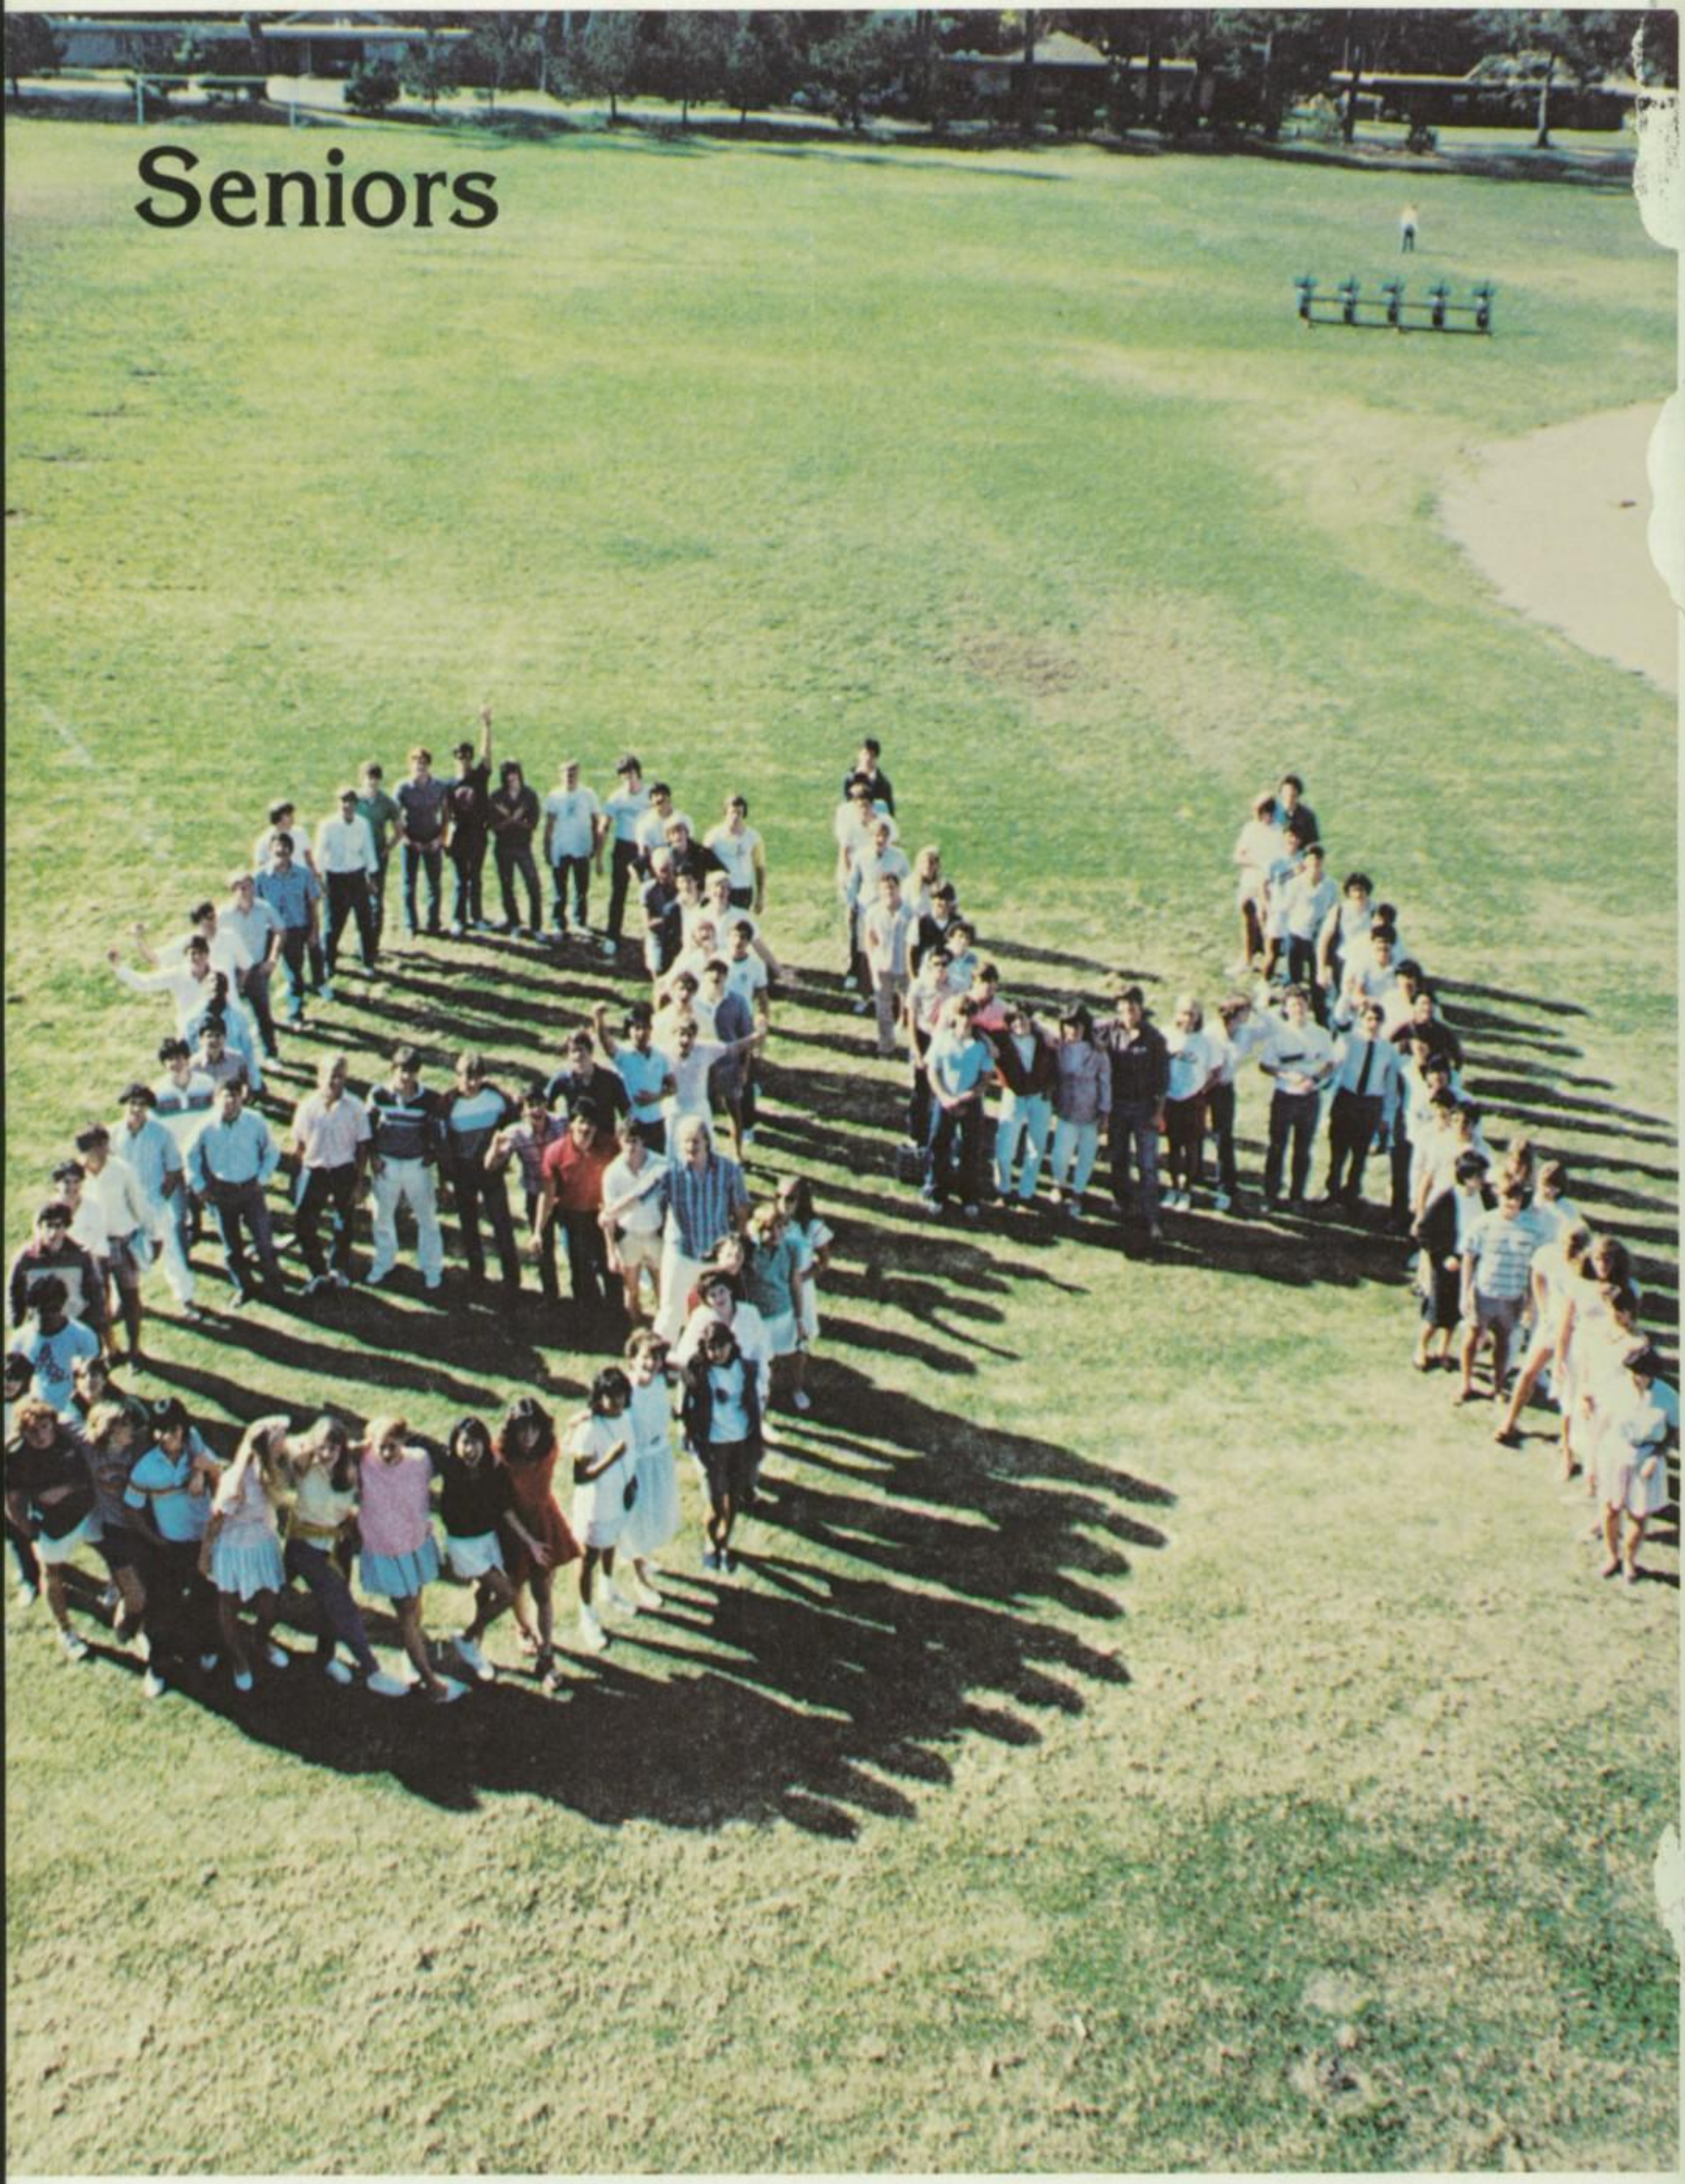
Seniors



SENIORS

The Seniors — finally attaining the gold after four years. The recollections that we share, the friends we have made — all those contributed to our success. We have become a spirited class of individuals with a great sense of leadership. We have all grown in these four years, learning greater responsibility and achieving the desire to broaden our education. The success that we have experienced reflects the success that we shall have in the future. The past is behind us, and no one can take our memories away. We will now go on to achieve the gold again.

Dedication

We, the Senior class, dedicate the 1984 *Spyglass* to Mr. Foster. Mr. Foster is a special member of the Stevenson family and a friend to all the students, resident and day. His humor in class and out, combined with his professional demeanor, has added not only to the History Department, but to the R.L.S. community as a whole. Mr. Foster has helped us all through our four years here at Stevenson, and the Senior class would like to say, "Thanks Chico," one last time.

Favorite Quotes: Please don't say manana if you don't mean it. I have heard those words for so very long. Don't try and describe the ocean if you've never seen it. Don't ever forget that you just may wind up in my song. — Jimmy Buffet; Preserve your memories, they're all that's left you. — Simon & Garfunkel; Is the best of the free life behind us now? Are the good times really over for good? Are we rollin' downhill like a snowball headed for hell? I wish a Ford and a Chevy would still last ten years, like they should. I wish a man could still work and still would. I wish coke was still a cola and a joint was a bad place to be. Stop rollin' downhill like a snowball headed for hell. Stand up for the flag and let's all ring the liberty bell. Because the best of the free life is still yet to come, the good times ain't over for good. — Merle Haggard Special thanks to all my family and friends.

Alex, Lexi, Al - What can I say to you? In a stupid yearbook that's. I can't possibly put down all the things I've felt & that I feel 'bout you. One thing I should start with is that you have always been there for me. ALWAYS. I've always known that I can come to you. We've also had our share of the bad times. At the beginning of this year there was a lot of tension. We never really talked about it, I guess I just wanted to forget it. And I was kind of guilty I am talking about Christine. I don't even know if you knew about it. Now it seems so silly — Stuff I guess I said to you about

Dear Alex,
The year has quickly ended as though it were a blinking of the eye. But let me say that this seemingly short span has left deep memories within me. These memories wouldn't have been so complete if I haven't have known you. Alex, your a very special person, unlike anyone else I've known. I know you'll never have too many problems in life from ~~what~~ "wonderfulness" I've seen in you. You've made A.P. Bio much more worthy my time and I really enjoyed working with you. I really wish we'd met earlier because knowing you has been a great part of my life. Don't get too confused in Berkley, though I know that, just like here, you'll make a lot of friends. Please take care and stay sweet and wonderful! I hope I see you soon because you are always going to be in the back of my (P.T.O)

Alex,
what can I say in a yearbook that has not been said before. I know that our parents know eachother but I'm very glad that we got to know each other this year. with you going to Berkeley I don't think that we will lose touch and that makes me very happy. I have forgiven you for getting a single room apartment and not letting me live with you because I got a suite on the 4th floor of one of the dorms But seriously please try not to lose touch with me at such a big school, because I think that a friendship like ours up there is going to be very important.

Love,
Steve

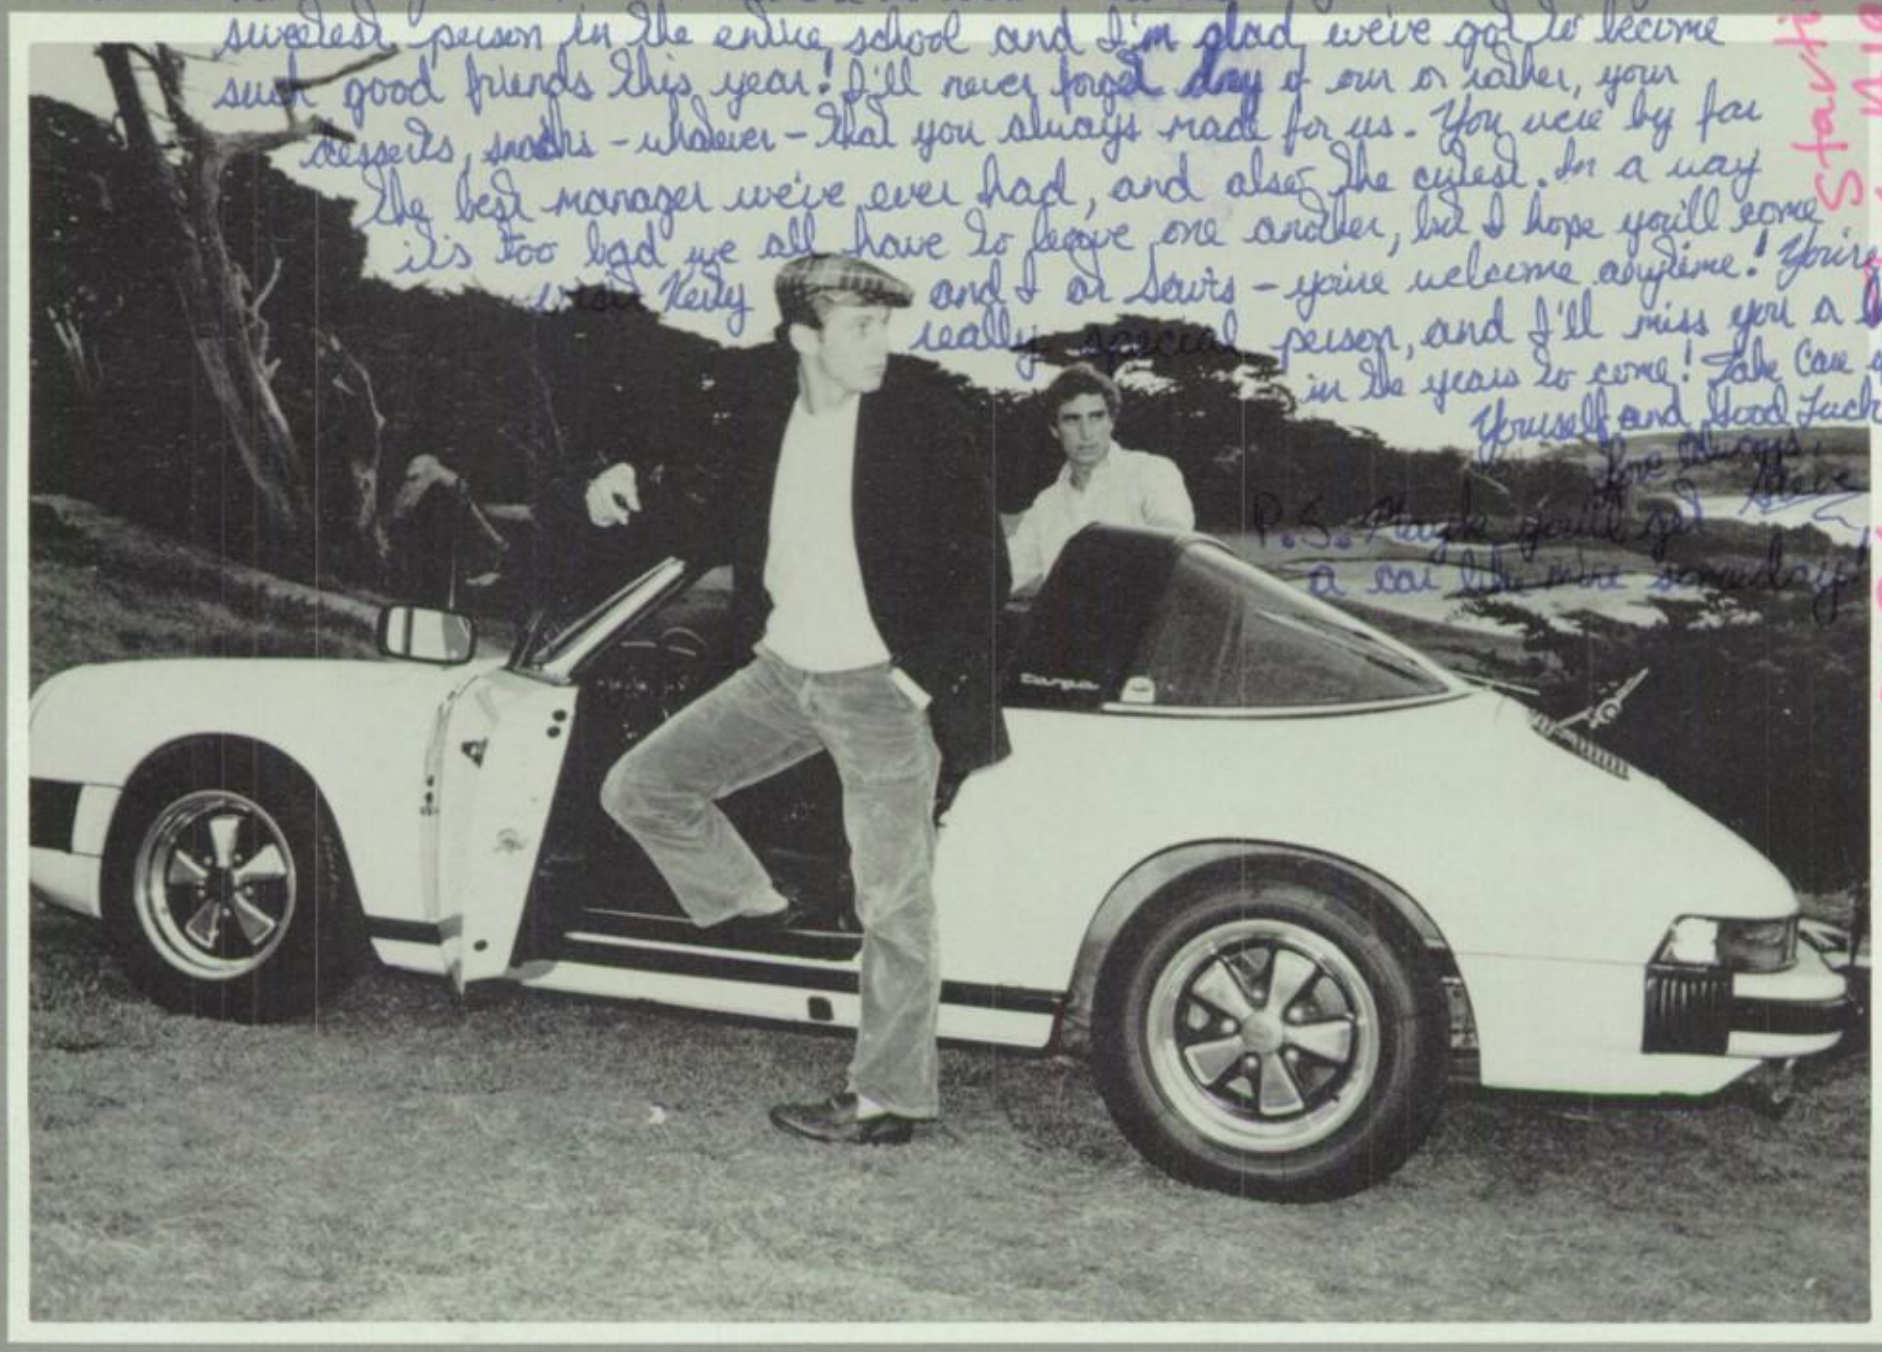
alex—
you are one of those people who has the ability to really affect the attitude of those around you, which is a very special & very powerful quality. we all smile when you smile! I have enjoyed smiling all year long!
I won't say goodbye because I know it is only "so long"!



Alex -
Write something nice, eh! What else is there to write - you're absolutely the sweetest person in the entire school and I'm glad we've got to become such good friends this year! I'll never forget day of our or rather, your desserts, snacks - whatever - that you always made for us. You were by far the best manager we've ever had, and also the cutest. In a way it's too bad we all have to leave one another, but I hope you'll come visit Kelley and I at Sears - you're welcome anytime! You're a really special person, and I'll miss you a lot in the years to come! Take care of yourself and Good Luck!
Love always,
Patrice
P.S. Maybe you'll get a car like mine someday!

JUNIORS

Alex,

You did it, you survived A.P. Bio. Shit, what a class. I'll never forget Mr. Proulx plaid pants. Oh God. It's been a fun year & I'm glad I got to know you. Your special Alex, your great! You got me through A.P. & out of depressing times & I thank you. You've endured a year of Hicks, Pérez harrasment. I'm sorry I didn't get to know you earlier in my 3 years, but that's life. You're a great girl & a good friend. You make people happy just by being around & being yourself. I'll miss you.

I love you.

Vince.

P.S. You really should do something about breaking your leg spreading habit even though I enjoy it.

During their three years in search of "the Gold", the Juniors have grown together tremendously as a class, and acquired a highly polished finish. It is their flexibility and innovativeness, however, that make them so successful.

Along with class officers, the Juniors elected a "class council" to represent diverse interest groups and involve more members in activities. One of these activities, the annual "Carwashathon", could not be dampered by stormy weather. Due to the cheerful attitudes and cooperation of those who participated, they managed to bring in a hefty profit. The Junior Symposium theme of **1984** featured talks by former Ambassador Kirk and Mr. Robert Henderson Sr., and many of the students came away feeling a deeper appreciation of the free society in which they live. Finally, the Junior class was able to give the Seniors a truly enjoyable night to remember — the Prom!

SOPHOMORES

It's been an exciting year for the Sophomores. Class spirit, coupled with genuine respect for the school, has paid off in a virtual "gold mine" of outstanding individuals.

The Sophomores tackled the formidable candy cane and donut sales this year, made a considerable contribution to the canned food drive, managed to make a substantial profit, and put on a good showing at their dance.

No one will ever be able to forget the incredibly talented "Go-Go's" air band, but winning the Homecoming float contest was truly an unexpected triumph. It was the first year that RLS has had a Homecoming, and the Sophomores ran away with first place!

FRESHMEN

The influx of new Freshmen every year is what keeps RLS alive and youthful. The kids come pouring in from a variety of different schools and backgrounds, adding to the diverse "melting pot" of students and giving the "Gold" its lustrous glow.

The Freshmen have probably impressed the school the most in their desire to belong to the RLS community and yet stand apart as individuals. Their originality in clothing styles really has to be admired, but it is the spirit and enthsuiasm that they possess underneath that really makes the class special. They already have a firm grasp of how "Going for the Gold" can bring out "unmined" potential.

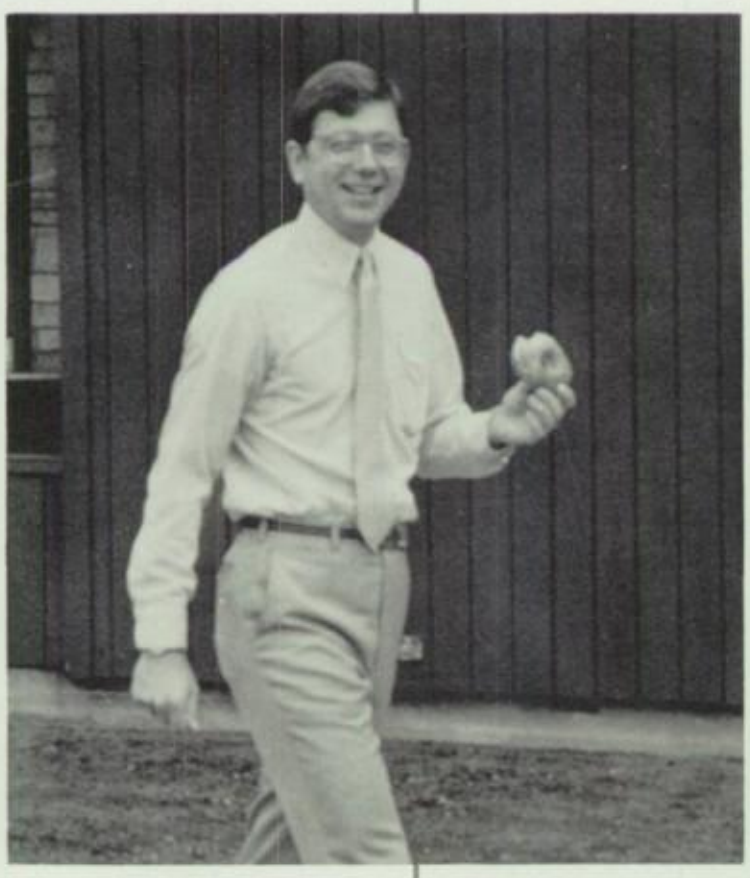
ADMINISTRATION,

FACULTY AND STAFF

The faculty at Robert Louis Stevenson School serves as the backbone of our school society. They provide the students with their knowledge, support, and experience. They are an eager group of individuals willing to give help whenever needed. The faculty puts forth much time and effort in teaching and administering the students. Their good nature and enthusiasm adds to the campus, making it a pleasant place to be. The Robert Louis Stevenson faculty is irreplaceable. They will always be remembered as great contributors to our growth as we continue to strive for the gold in our pursuit of greater knowledge.



ANDRÉE CASEY

Andrée Casey is one of the unsung heroes of the RLS community. In the seven years that she has been with the school, she has served as secretary to the headmaster, secretary to development and admissions directors, administrative assistant to the headmaster, and a financial aid officer. Faculty and students alike find her very supportive, caring, and easy to talk to. **Spyglass** would like to recognize her as being an integral part of the Stevenson staff, and wish her happiness in her retirement. We will all miss her very much.

"A little too abstract, a little too wise,
It is time for us to kiss the earth again,
It is time to let the leaves rain from the skies,
Let the rich life run to the roots again.
I will go down to the lovely Sur Rivers
And dip my arms in them up to the shoulders.
I will find my accounting where the alder leaf quivers
In the ocean wind over the river boulders.
I will touch things and things and no more thoughts,
That breed like mouthless May-flies darkening the sky.
The insect clouds that blind our passionate hawks
So that they cannot strike, hardly can fly.
Things are the hawk's food and noble is the mountain, Oh Noble
Pico Blanco, Steep Sea-wave of marble."

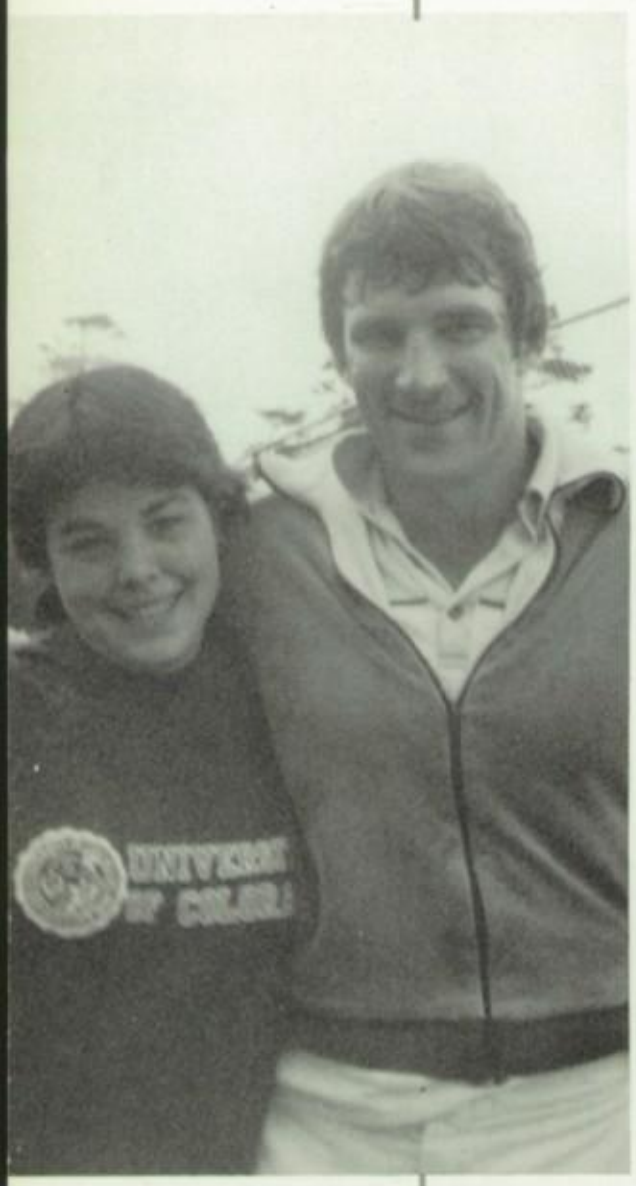
The Competitive Spirit Between Faculty and Students



FINE ARTS

Music

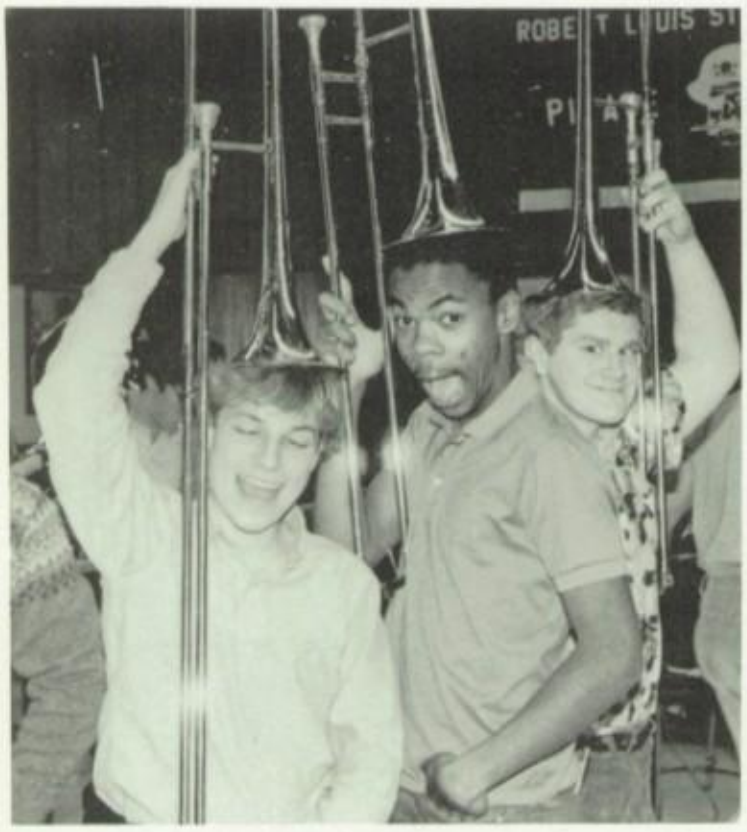
The concert band at R.L.S. is unique. Says Clifton Bonner: "The thing I like about our band is that it is low key. I mean, most other bands strut around in fancy uniforms with funny hats, but we wear jeans and cords. We don't have to look fancy to be a great band." Rob Machado enjoys the other people in the band. "Our band is so unique because of the attitudes of everyone involved. Everyone wants to present their talents to their peers and still have a good time." The progress the band makes is clear at the Winter Concert. John DiGirolamo says that the most gratifying thing about being in the band is: "the progression of taking a sheet of paper with dots on it, working on it a while and finally makimg it a piece 70 instruments strong."

The most important accomplishment this year for the string ensemble was its excellent showings in the CCS Orchestra. Mary Logereci made first chair, first violin and concert mistress. Marsha Story made second chair and second violin. Alan Arrive made first cello. Marsha Story said: "It's really great that we have so many talented people in our orchestra."

Many members of the chorus agree that Mr. Klevan is an important part of the chorus. "Mr. Klevan's humor makes chorus very enjoyable." — Kim Huggins. "I must admit that Mr. Klevan is one terrific music type of guy." — Jaime Pena. There is also a lot of comraderie felt in the chorus. "Everyone in chorus is as one, we're like a family." — Dana Kirk. "Friendships made in chorus will last forever." — Jaime Pena. "Chorus is a lot of fun, especially when we accomplish a difficult piece by working together." — Kim Suber

Jazz Band

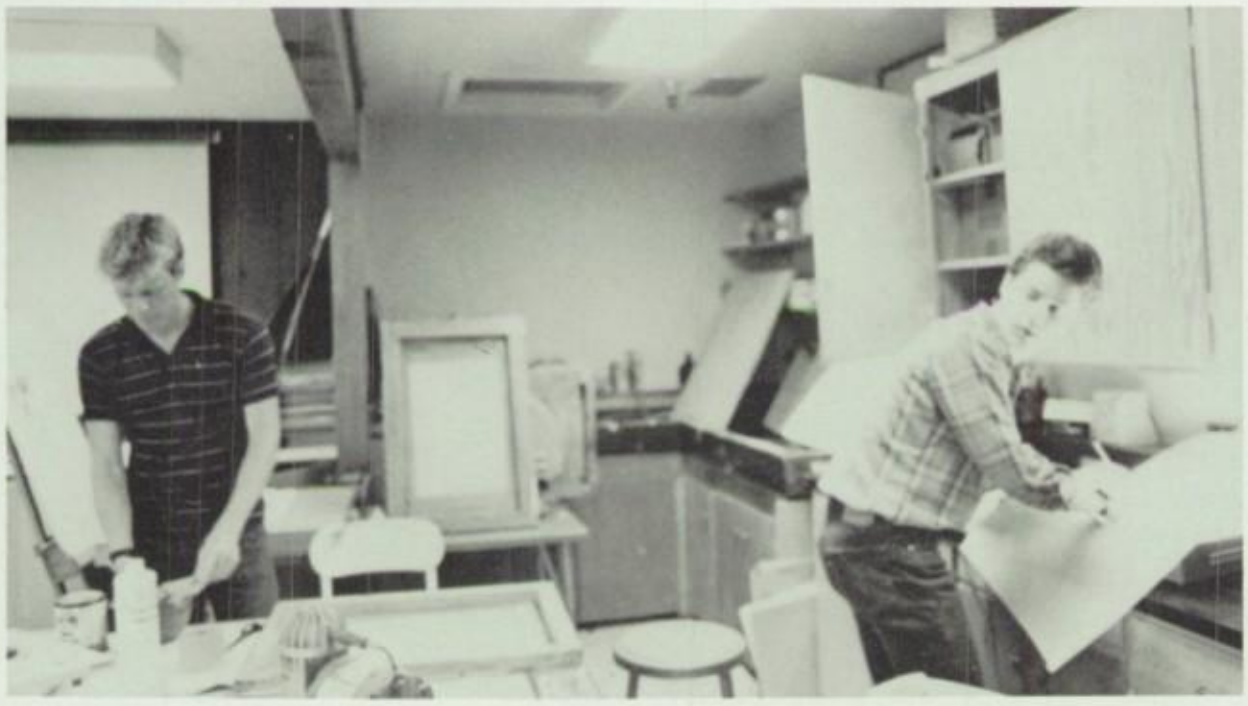
This year, the RLS Jazz Band is entering the competition for high school bands to play at the Montery Jazz Festival. The festival will be held in May, and we hope to be the first high school band from the Montery area to play at the festival. The Jazz Band has been practicing with several professionals, and this has greatly improved our skills. The clinicians include Mendel Lowe, guitarist, and Bill Barry, trumpet. We have already played two engagements, one at Parents' Weekend, and one at All Saints' Episcopal Day School. In March, we plan to attend the CCS Jazz Festival in Santa Cruz, and we hope to do as well there as we did at last year's Reno Jazz Festival, where we finished in second place, with straight superior ratings.



Art

The student artist begins with the basics of drawing and color theory which develops the thinking capacity of an artist to use line, shape, color, value and texture with a variety of media. Once students feel confident incorporating these skills, they can move on to a more selective education in career-oriented electives, beginning with design, pre-architecture, fashion illustration and moving into more advanced drawing and painting. For college-bound students, an advanced placement portfolio elective encourages personal style.

Beside the usual art classes, ceramics, radio and photography are included in the program to provide a student with choices and challenges.

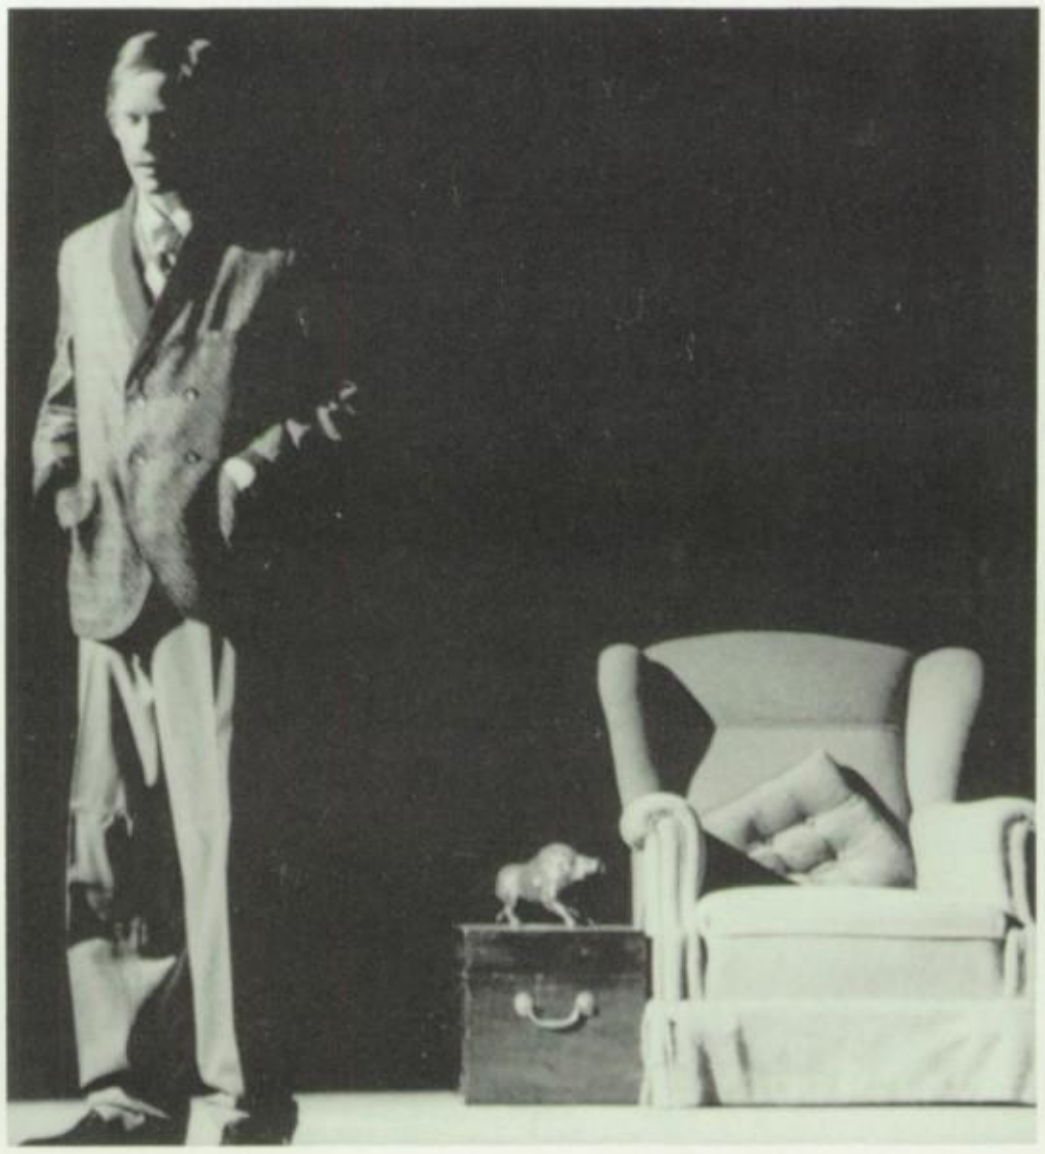


THE MOUSETRAP

Agatha Christie's classic murder mystery **MOUSETRAP** played to sold out Parent's Weekend audiences. Reviews were highly complimentary with particular references to the "Professionalism" of the cast and crew. Highlights included excellent performances by Kevin Hicks as the bogus policeman, Kelley Hartman as the bemused heroine, Alan Arrivee as the oily Frenchman, Juliet Funt as the embittered sister, John Adams as the cynical husband, Sammie Pratt, as the imposing old magistrate, and George Luedtke as the kindly major. Excellent stage management under the direction of Hattie Catania including the stunning use of a snow machine which made **MOUSETRAP** a resounding smash hit. John Weaver put together a fantastic program for the show, making it even more of a success. Director, Hamish Tyler concluded that **MOUSETRAP** was one of the best Parent Weekend productions.

HAPPY BIRTHDAY, WANDA JUNE

By Kurt Vonnegut
Directed by Suzanne Scoville



"Go then and fry with dignity" — a profound thing for a man to say who has just returned to his wife and son after 8 years in Africa. They all thought he was dead. The doctor, the vacuum cleaner salesman, the wife . . . all except Paul, the son, thought he was a goner, but that's what too many Fig Newtons will do to you. Mildred was great. . . tinkling ice cubes as she related the latest weather report from heaven. On the next cloud over, Von Konigswald and Wanda became good friends, an odd couple, but death really does seem to bring people together. They can always trade info about orange-juice and dum-dums.

Rehearsals were routine of course. . . it was **easy** finding all those animal heads. Not to mention the sound effects. Like George embracing his stage-wife Lisa, with such ardor her ribs cracked with a pop that was heard in the back row. (Suzanne thinks: "That's o.k. we'll just costume around it.) The important thing was that people have a right to be who they are. Killing them for honor or dominating them for ego's sake is unacceptable now. Scrogging is **definitely** uncool. We hoped everyone learned something by laughing, by listening. . . that Mrs. Wheeler has joined Wanda June and that Brad will someday learn to control that twitch of his.

HEDDA GABLER

Henrik Ibsen's classic play **HEDDA GABLER** was staged by the RLS Players as part of the 1984 Junior Symposium. Director and Fine Arts Department chairman, Hamish Tyler, addressed the Juniors on the significance of **HEDDA GABLER** in 1984. The play concerns the trials, tribulations and eventual suicide of a brilliant young woman, whose progress in society was threatened by insensitive males and rigid social rules. **HEDDA GABLER,** described by theater critics as the **HAMLET** for women, was masterfully portrayed by the multi-talented Juliet Funt. The RLS players added to their many accomplishments by staging this most **complex** of Ibsen's plays: **HEDDA GABLER.**

Musical Theater originated in the United States in the deep South with rhythmn and blues. The first productions which seriously could be termed musical theater productions were shows such as "Sugar Babies" and others which involved jazz and blues.

Musical Theater presents a more upbeat and lively aspect to theater, as it tells a story through music and song. The musical, "OLIVER", is Lionel Bart's adaptation of Charles Dickens' novel, provides a light-hearted and comical interpretation to a very sentimental and sad story. "Food Glorious Food" is the first song which alleviates the dreariness and skimpiness of the orphans' poverty. Another song which describes Oliver's predicament, "Pick a pocket or two", opens our hearts to the delights of picking pockets rather than impress upon us Oliver's forced servitude.

The songs "Consider yourself", sung by Oliver and "It's a fine life", sung by Nancy, add an air of humanity to the otherwise lonely and empty life of Oliver. The song, "I shall scream" gives a comical view of Mr. Bumble's stern and wicked character.

"Oliver" is yet another addition to the Robert Louis Stevenson's record of high quality musicals. It was much loved by everyone who saw it and thoroughly was another grand achievement of the Robert Louis Stevenson Players.

Volleyball

Varsity: Cam Watkins, Carolina McNamara, Laura Cohen, Kerty Nilsson, Sharon Sheffield, Coach Reamy Goodwin, Patrice Bower, Zena Giacalone, Christian Morrison.

The girls' volleyball season was characterized by continuing improvement by both the team and individuals. First year coach Reamy Goodwin did an excellent job of developing a young and inexperienced group into a competitive team in a very tough league. Although their record was 5-11, the success this team had was immense. With no real standouts, teamwork was the key to the victories and close losses achieved as the season progressed. Because of its youth, (only 3 members will be leaving) the squad should look forward to a super season next year.

One of the highlights of the season was the final match against Alisal. After losing the first game 15-8, the girls came back to win the final two games 15-13, 15-10, for a very satisfying victory, making the entire year feel successful.

"We had more fun than we ever did in the past," agreed several members of the team. As senior Kerty Nilsson said, "We were probably the closest volleyball team RLS has had."

Patrice Bower was selected MVP and she and Cam Watkins received honorable mention recognition on the all-MTAL team. Christian Morrison was voted most improved player, and Kerty Nilsson was chosen as most inspirational.

The girls frosh-soph volleyball team faced a challenging season with Miss Hesse, a new coach, and strong opponents. After a mid-season filled with disunity, the team spirit soared, beginning with the Gonzales Spartans on November 1. From this time on, each girl was given the chance to be captain, and each took advantage of the opportunity to see her own potential. In particular, individual skills improved greatly.

Water Polo

For those of you who have not played water polo, it is a game of skill; not learned or intuitive. Water polo requires much more endurance than the usual swimming skills. In particular, the "eggbeater kick," used to rise up out of the water for a shot, is extremely difficult to master. The best players are characterized by their tremendous leg strength and upper body agility. In addition to technique, awareness of position for both teammates and opponents is critical.

For both offense and defence, the water polo team faced many difficult matches this year, and, although defeated by scores, the team progressed in their technique and team cooperation. The toughest opponents of the season were Salinas and Live Oak. These schools have the advantage of being clubs that continue to play in the summer, which builds experience.

Since experience is so paramount to success, Chris Madill was voted Most Valuable Player for his excellent skills and outstanding dedication. Another important player, Shannon Wilkinson, played seriously and with expertise. Ralph Combs contributed his priceless sense of humor during the rough spots. David Harris possessed a lethal throwing arm and Andrew Drake's aggression was very inspiring. Moving up from junior varsity, Dirk Peters was the most improved player. All in all, for both the varsity and junior varsity, this year was important for building this year's team to be even better in 1985.

The junior varsity water polo team had a very successful season this year. The final record was 6-2 with Gilroy and Carmel being the toughest teams to beat. In Gilroy's game the Pirates were tied in the last few seconds, went into overtime and were beaten by only two goals. All the team members, particularly Tim Winders, Rush Schwarz, Dave Hollander, John Marshall, Sid Martin, Chris Cryan, Greg Lippman and Tuck Whitesides who scored, showed talent and teamwork in both offense and defense. This year's experience, which is so important in water polo, will move the sophomores up to varsity for a dynamic team next year.

(Top row) Cara Shepherd, Anya Hankinson, Chandra Thompson, Debbie Hampton, Kim Maravilla, Coach Jani Knotts, Manager Frank Seitz, (Bottom row) Tressa Thompson, Alex Anka, Christine Yonan, Erin Pauly. Not pictured: Christine Balestrieri, Angela Bloom, Liz Cowley, Kristie Johnson, Tracy Knorr, Cara Tarasco, Tina Wang, Gretchen Zug.

I see this. What the hell are you about to do? POOR TRESS!

The tennis team had a very successful season this year due to the tremendous effort put forth by Coach Jani Knotts and each member of the team. It had twelve league wins and one loss, which caused a tie between RLS and Catalina. Both teams competed in the playoff to decide the league's winner. Despite RLS' loss, the team went on to CCS as co-champions, playing Leland. The team lost in the first round of competition, however, the team did its very best. All in all it was a winning season.

The team consisted of four Seniors. Christine Yonan and Kim Maravilla returned for their fourth consecutive year, while Christie Balestrieri and Alex Anka played for their first year on the team. The Junior members were team captain, Anya Hankison, and number one player, Chandra Thompson. Chandra's sister, Tressa, an incoming Freshman, followed Chandra in the number two position. Cara Shepherd, Erin Pauly, and Debbie Hampton were also great contributions and will return next year.

Each team member was willing to work hard on their game, putting forth a lot of time and effort; not wanting to win for themselves, but for the team as a whole. There was definitely a lot of team effort, which created a positive and supportive attitude throughout the season.

Jani Knotts was more than just a coach; she was a friend to each member of the team. Her thoughts were not just concerned with winning, but with developing a real team. She was very supportive, always giving the team encouragement. Jani put her values before winning, which is a very hard thing for a coach to do. Her admirable qualities were reflected in the success of the tennis team.

In this season, the team learned much about themselves and others, which enabled each individual's growth as a person. Many close friendships were also established. It was a season that will never be forgotten. The team came out a winner in more ways than one.

very cute, Martina.

Cross Country

The 1983 R.L.S. cross country season was the most successful in the school's history. The season was characterized by tough practices, a demanding Coach Brown and a previously unseen "will to win" by the runners.

When Coach Smith headed the practice on the first day of school, the returning runners knew this would be a very difficult and very long cross country season. After a gruelling three weeks of training, the varsity boys' team had its first race. The R.L.S team took 7 out of 10 places, defeating York 21-30 (low score wins) and shutting out Alisal 15-50. In the following week the team raced against Carmel and King City, defeating both teams; Carmel by a score of 19-42 and King City by a score of 16-46.

With the number 2 and number 5 runners not able to run, the varsity team raced in the Stevenson Invitational on October 15. Surprisingly, the depleted team was able to win the small school division. During the following week the 4-0 R.L.S. team faced its first real challenge — the 3-1 Hollister team. The race was very close and not until the final score was posted was it known that R.L.S. had beaten Hollister 27-28. In the next week the R.L.S. team easily defeated the rival Pacific Grove team 22-37.

On Nov. 3, the undefeated R.L.S. team met the undefeated Palma team in the race of the season. The race promised to be a close one and it was, with R.L.S. just edging out in front 27-28½. The R.L.S. team also defeated Gonzales in the same race by a score of 18-43, thus finishing the season with an 8-0 record. Unfortunately, some of the R.L.S. runners had a bad race in the Championships; therefore, the team finished tied for second in league. Kevin White and Tim Carmichael, the top two runners for R.L.S., did receive all-league honors. The team as a whole qualified to run at Regionals.

Thus, on a cold and rainy afternoon the boys' varsity team raced in the Region Four race in San Mateo. The team ran the race, expecting this to be their last race, but they finished fourth and qualified to again; this time to the C.C.S. championships. The R.L.S. team finished fourteenth in C.C.S. — ahead of the first and second place teams from Region Four.

The varsity girls' team also had a successful season. The girls started off the season winning three of the first four races in league. They defeated York 22-33, Alisal 15-50, Carmel 15-50 and dropped one to King City 23-35. In the following week the girls' team defeated Hollister 15-50. Then they faced a very strong Pacific Grove team, losing 20-35. The team fought back during the next week's race, shutting out Gonzales 15-50 and wisping by Catalina 27-28. The girls' team ended up finishing fourth in league with the two top runners. Kathy McGuire and Charlotte Kwon, receiving all-league honors.

The boys' junior varsity had a strong season. They finished up with a record of 5-1 and took third place in league.

In retrospect, the cross country team as a whole would like to mention that they could not have hoped to do as well as they did without the help provided by Mr. Smith. He provided that everlasting "push" needed in all runners, and he is justly respected for it.

Football

The Pirates worked very hard this year! As Coach Young said, "At the beginning of the season they already had set high goals — to win the league. In order to reach their goal, the Pirates worked their hardest throughout the tough practices during the season. They took it seriously since they recognized the importance of practice. They pulled out all they could do." Their excellent performance brought them their victories.

At the start of the season, the Pirates faced tough competition in their league games. As the season progressed, six teams were tied for first place and only two games remained to be played. Offensive strategies and defensive strength waivered between the teams as each set their sights on the MTAL championship title.

The second to last game against Hollister was considered to be the toughest game in the season, and it also was a decisive game for the Pirates as to whether they would become the champions or not. At half time the Pirates were leading by 14-0. However, the revenge of Hollister broke the Pirates down by defeating them 14-19. The momentum had changed several times during the game. The Pirates really played competitively. As a result, they placed second in the MTAL.

The co-captains, Steve Price and Jon Neiboer, did an excellent job of leading the team, with Jon Neiboer as the key defense and Steve Price as the key offense. Steve had the most yardage. Nevertheless, the seniors helped the team alot.

Individually, the Pirates have a number of outstanding players. John DiGirolamo was awarded the Golden Helmet for all league defensive tackle and offensive guard. Besides that, John Neiboer was the all league half back. Honorable Mention All-league went to Will Daniels, Danny Hopkins and Pat Saleen. These players have contributed significantly to the team.

The frosh—soph football team had a successful year — so successful, in fact, it's recorded in the Permanent Score Sheet. Only two teams, Hollister and Palma, beat the Pirates, and even then the scoring was very close. We gained more yardage than any other league team, even when we tied Alisal. Our size, speed and strategy put us above our opponents. The defense worked a variety of plays which confused the opponent's offense and helped our team to learn cooperation and responsiblity. This year's team, and Coaches Harrell and Healey, deserve our respect and admiration.

GIRLS' BASKETBALL

V.: (back row) Coach Hankison, Allison Keith, Anya Hankison, Kerty Nilsson, Cam Watkins (front row) Chandra Thompson, Patrice Bower, Cara Shephard, Christian Morrison

The girls' basketball team, before league play began, had already broken just about every record in RLS history for a girls' team. Their pre-season record of 10-1 was the best pre-season record ever established for the most wins and the most consecutive wins of any team in the league. Their wins included first place in two tournaments. In the Gonzales tourney the girls' easy victory showed them what they were capable of achieving. At this tourney Anya Hankison and Chandra Thompson were placed on the All-Tournament team with Chandra named as the Most Valuable Player. After the Templeton tourney victory Anya was again chosen for the All-Tournament Team as well as teammate Patrice Bower.

The girls' league play was very successful. They finished in third place behind two very tough teams, Pacific Grove and King City, with an 8-4 record. Highlights included a strong victory at King City and two sound victories over fourth place Hollister. The Pirates were led by the high scoring efforts of Anya and Chandra, the fine guard play of Christian Morrison and Cam Watkins, the rebounding skill of "twin towers" Kerty Nilsson and Patrice Bower, as well as Cara Shephard and Allison Keith.

The girls' frosh/soph team, under the coaching of Gretchen Zoller, had a fine season with a record of 5-6. They were led by the excellent play of Kim Huggins, point guard Tressa Thompson, shooting guard Caroline McNamara and Kristie Johnson who proved herself on both the offensive and defensive boards.

J.V.: Kristie Johnson, Tina Wang, Tressa Thompson, Caroline McNamara, Stefanie Gerrish, Coco Gill, Barbara Peters (inset left) Kim Huggins (inset right) Kirsten Kandler.

The boys' varsity basketball team, despite an erratic start, finished brilliantly in the Shaughnessy Play-Offs against Alisal, Carmel and Palma. RLS went on to the CCS Play-Offs with a disappointing loss to Gilroy, 68-58. However, the Pirates proved they had the talent, spirit and teamwork to take on the league's finest teams. The most challenging game was against Carmel as they had previously beaten the Pirates twice. The final challenge was Gilroy's 6'9" center, Bruden, who led the Mustangs to victory.

It was not an easy season. The Pirates suffered quite a few losses because they lacked unity as a team. The P.G. coach told his team, "We can't beat RLS as individuals, but we can beat them as a team." Sure enough, the second game against Pacific Grove we lost. But RLS had learned enough from their mistakes to reverse that trend and meet Carmel with determination and teamwork. What an upset that was! . . . the unforgettable Adam Cabot freethrow style; the Chris Marek outside shot; the Sherief defense and the Matt Toole dribbling technique . . . Our outstanding players are guards, Matt Toole, Jeff Surratt, Mike Nardone and Dave Marek; forwards, Mike Kirch, Chris Marek, Frank Seitz and Steve Didion; centers, Sherief Ibrahim, Adam Cabot and Christian Juhring. Chris Marek was voted All League — a first in boys' basketball for RLS!

The junior varsity team has an inspired and successful season. There was no one star; everyone contributed. The team as a whole kept improving their game throughout the year. In fact, they won five out of their last seven games.

The captains Pat O'Neal and Bryant Riley were very competitive and effective leaders both on and off the court. Keith DeFiebre should be noted for defense. Randol Gladney dominated the boards. Adam Cooks shop-blocking stood out. Eugene Morris was quick on the court. Andy Dalhammer displayed a unique shooting touch. Chris Allens inside game helped the team to victory. J.J. Beene and Stewart Pernell were exceptional hustlers throughout the season. John Rhee, Al Carlsen, and Francais Ngai were competitive, supportive, and enthusiastic players. Mr. Thompson was very pleased with the team's spirit.

For the first time in Robert Louis Stevenson history we had a team made up solely of freshmen. It was not a victorious season, but throughout the season a lot of knowledge was gained by all. They used different strategies in offense and defense, playing with both zone and man-to-man. Although injuries to John Viray and Arnold Nobida set the team back in the beginning, the team as a whole was spirited and showed their spirit on the court.

The starting players were Chris Brown (guard), Blake Mallory (low post), Eron Malone (forward and high post), Arnold Nobida (guard), and John McManus (center). Chris Brown showed his talent in offensive ball handling and control. Blake Mallory scored well throughout the season and had an outstanding number of rebounds. He was also the most improved player.

J.V.: (back row) Coach Thompson, Patrick O'neal, Adam Cooke, Chris Allen, Randle Gladney, John Rhee, Francis Ngai, Felix Chow, (front row), Bryant Riley, Eugene Morris, Andy Dalhammer, J.J. Beene, Stuart Purnell, Al Carlson

SOCCER

Back: (l. to r.) Coach Cane, Jason Fleischer, Gordon Myers, Steve Locke, Roy Ma, Tim Carmichael, Tony Keeler, Steve Price, Chris Brown, Steve Lonhart, Mike Childs. Front: Todd Zukowski, Ned Deere, Jeff Farmelo, Andrew Drake, Jim Bottomly, Mark Sinitz, Chris Crummil, Bryant Emery, Clay Grant-Michen.

The Varsity Soccer team had a rough start to their 1984 season. After the first eight league games the team was 4-4. Then in January the team pulled themselves together behind the high scoring freshman Mark Sinitz, the fancy footwork of freshman Jeff Farmello and the great goal tending by sophomore Jim Bottomly. By the end of the season the team's record was up to 10-4-1 putting them in a tie for second place in MTAL with Gonzalez. A playoff resulted and the highscoring RLS team failed to put the ball in the net and lost 0-1.

(First Row) Cliff Lipman, Mark Eduok, Steve Richman, Robert Norris, Luan Bui, Coach Thompson. (Second Row) Arjunan Ethirugerasingam, Walter Wilson, Chris Madill, Cory Pierce, Greg Holt. (Third Row) Paul Hopkins, Paul Cobbe, Brent McMicking, Dirk Peters, Mark Eberboch, Tim McAfee. (Fourth Row) Mark Kessler, Mike Spalletta.

Freshman forward Mark Sinitz and senior fullback Tim Carmichael were chosen for the All-League second team and Steve Price, Jason Fleischer and Ned Deere were given honorable mentions.

The JV team under the coaching of Bart Thompson and high scoring Rush Swartz had a great season finishing with a 11-4-1 record.

FIELD HOCKEY

V.: (back row): Charlotte Kwon, Coach Julie Thompson, Harriet Catania, Sissie King, Annie Bohlman, Maria Hewitt, Kim Farmelo, Kathy McGuire, Katrina Sanborn, Susan McLain, Christine Yonan, Charlotte Mills, Joan D'Ambrosio (Front row): Alex Anka, Megan Lawrence

The varsity field hockey team, headed by Coach Julie Thompson and captains Megan Lawrence and Alex Anka, finished with a strong standing in the overall tougher league this year. The win-loss record did not reflect the progression as a team that the members had achieved or the hard work and effort that enabled the team to develop a good passing game. Among the top rivals for the team this year were Santa Catalina, which had a well coached and strong team effort and attitude and York School, which had a lot of individual talent. Two of the team members were elected to the All League team, Joan D'Ambrosio and Kathy McGuire. Megan Lawrence was also nominated as an honorable mention, as well as being the most valuable and inspired player. Along with being the leading scorer for the team, Susan McLain was the most improved player for the team.

Alex Babey - you're so lucky! Graduating and going to UCB. I'm really happy for you! You are such a great gal - always cheery and always

J.V.: (back row) Gretchen Zug, Jenny Avant, Wendy Hayward, Laura Cohen, Grace D'Amelio, Ellen Schatz, Sophia Burford, Coach Smith (middle row) Brandy Fraia, Nell Flattery, Courtney Walker, Amy Aucutt (front row) Korinne D'Ambrosio, Kate Hawes, Heather Stewart, Julie Storey, Karen Norris

The junior varsity field hockey team ended with an outstanding season this year, finishing second in the league. By the end of the season, the team had developed the most competitive defensive game that the school had ever seen. They allowed a minimum of only 3 goals to slip by them throughout the course of the season. The junior varsity team entered a new record in the books of R.L.S. competition with taking second place and proving themselves to be one of the toughest teams in the field hockey league.

having something nice to say. We held about 100 mou of you here. I'll miss you next year!

LACROSSE 84

Lacrosse is a true team sport where the players have to be dedicated in order to endure a season. For the true lacrosse player a season of mud and long-lasting bruises is not considered something that must be endured; rather it is only a small part of the game that makes it enjoyable. The three team captains, Phil Wang, Jim Quirk, and Will Daniels, all proved to have the dedication and especially the enthusiasm to give the team what they considered a successful year.

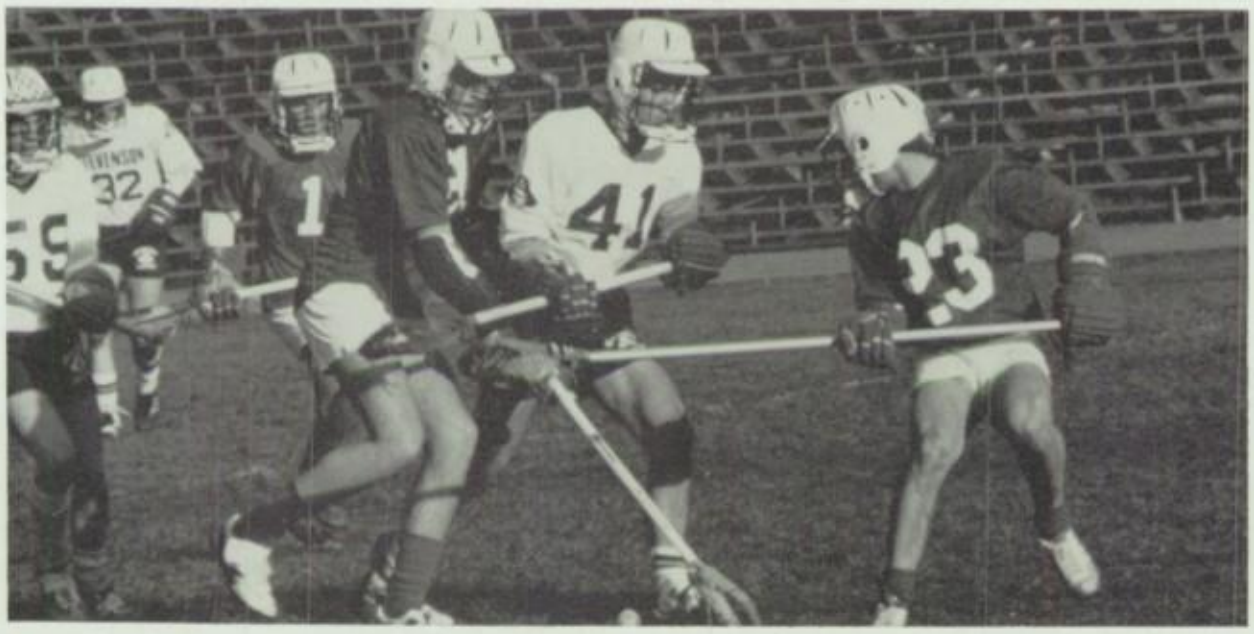
The Varsity team had a 4-4 season, an accomplishment which should not be frowned upon. The two teams that were ahead of the Pirate lacrosse squad, Cate and then Thacher, beat them by only one goal, and each of the two games were decided within the remaining minutes of play. For no other reason except that the team gave the sport their all is enough for a winning season in Coach Young's opinion.

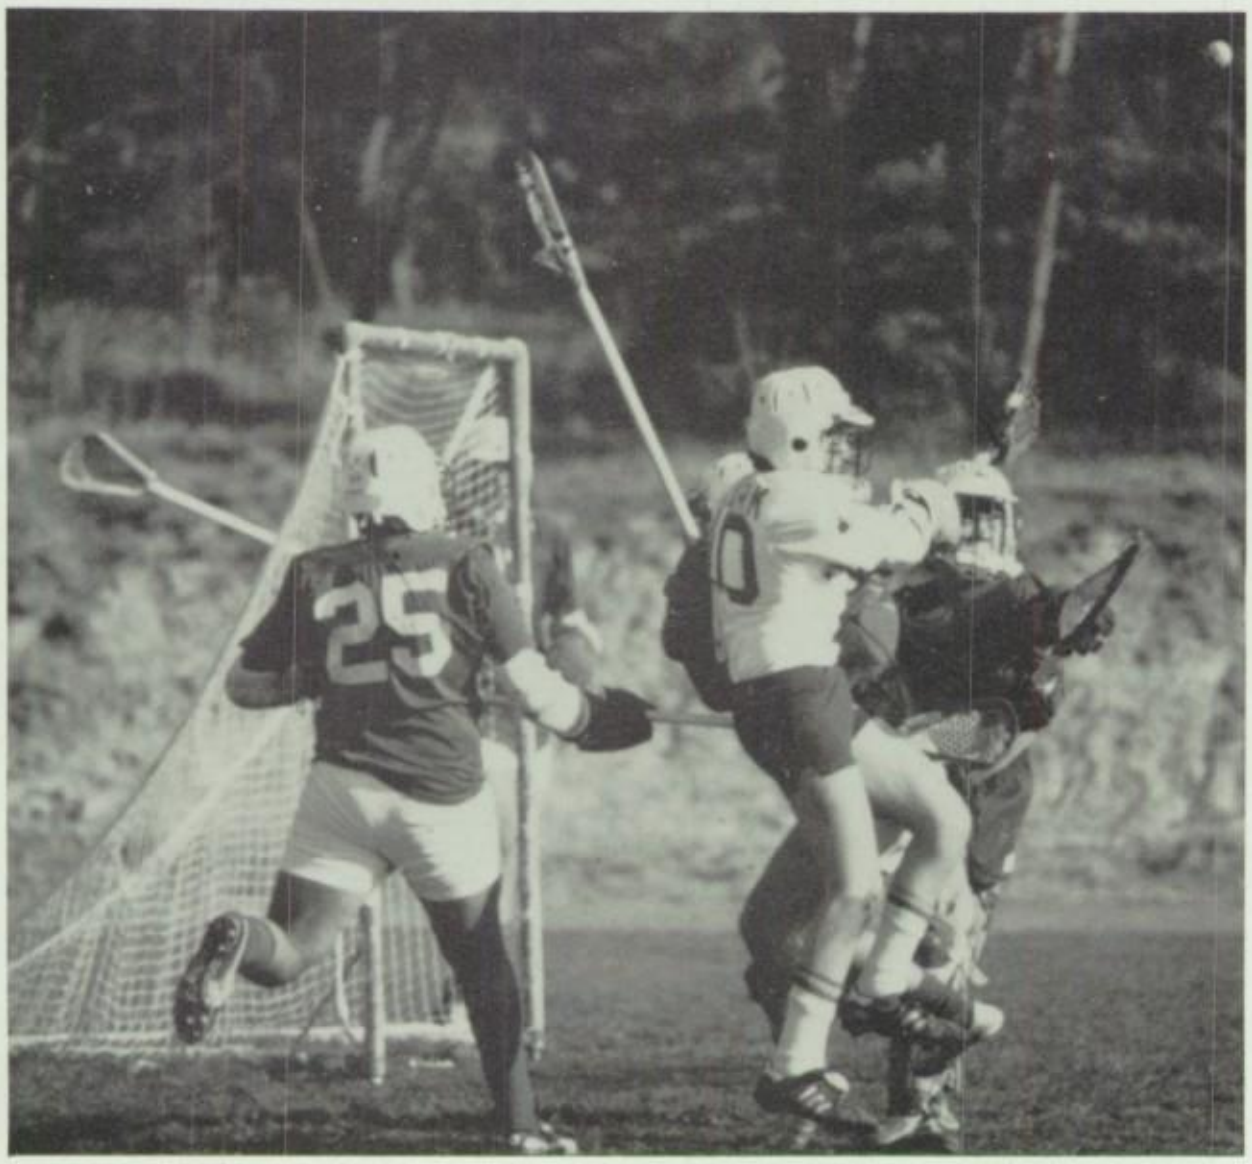
The long trips down to Santa Barbara will be long imprinted into the minds of the seniors and for upcoming seasons they will offer such players as leading scorer Carter Edgerton a chance for revenge against the teams that narrowly defeated the varsity Pirate Lacrosse team.

(back row) Pat Pomeroy, Don Whittier, John Ford, Steve Butterfield, Rob Machado, Jeff Storey, Mike Hynes, Bill Martin, Will Daniels, Chris Belle, Coach Laurance, Coach Young (front row) Vince PerezMazzola, Clark French, Carter Edgerton, John Wilson, Phil Wang, Danny Hopkins, Jim Quirk, Bob Payne, Andy Burden, Tom Buckner

LAX

J.V.: (Back row) Coach Perrott, Marko Zaninovich, Cory Gordon, Brian Caves, Brian McCormick, Dane Bonsper, Brett Wise, Peter Drobac, David Rosenberg, Eric Baggiolini, Brian Dalton, David Bayes, Tim Winders, Steve Chapple, Ross Mckee, Won-Jim Lee, Kirk Morrison, Kent James, John Laurance, David Harris, Tracy Matray (Front row) Rick Henry, Stuart Shankle, Eric Schoen, Mike Martin, Mike Clark, Bobby Hullet, Peter Donlon, Aimen Al-Refai, Vance Fletcher. (not shown, Arthur Avary and Billy Evans)





The junior varsity lacrosse team began and ended their season well with wins against Thacher 7-6 and 4-2, and against Midland 12-2. The rest of the year's games such as the 4-3 home loss to Dunn tended to be real disapointments as many of the shots taken hit either the goal post or the goalie. The strong team was made up of power house John Laurance, who promises to be an essential varsity player in upcoming years, Aimen El-Refai a second year player whose dedication will also add to the strength of the varsity, and, of course, the defensemen, John Harris and Eric Baggiolini who will replace the impenetrable Varsity players, Will Daniels and Jeff Storey.

The names listed are merely the outstanding of the many talented players that will be continuing on at R.L.S. However, the players that also deserve recognition are those who sit through the season on the sidelines, like Arthur Avary and Vance Fletcher; players such as these will be the ones to also continue the tradition of Pirate lacrosse as they fill in the spots of up-moving players who have won the right to be called a lacrosse player because of their dedication and enthusiasm for the sport.

Our Very Best Wishes To The Robert Louis Stevenson School Graduating Class Of 1984

Heya Bambino!
I guess it's onward & upward at this point. It's been a great four years and I'm going to miss high school. I still remember clearly when you, Kim, and I would parade around school - what snobby freshmen we were!!!!! If Mark Metz asks me out, I'll eat my hat" - A² Did you eat your hat Alex? Sophomore year you came running into Mr. Hamerson's class panting "I was just stuffed into a tool shed by Mr. H. - chipper - "Mark'll take care of Alex while you leave!" (ha ha) Through all of them, I've never seen ya happier than right now. Keep on truckin' neighbor. Oh, only 6 or 7 more days - let's live it up - slopes - next year

"You've come a long way, baby . . ."

. . . but the best is yet to come!

Alex -

Well, I think that you have made the biggest impact on me out of everyone. Those times we talked I will always hold them very dear to me because you taught me a lot about myself and were so nice to me right at the times I really needed that. I can never thank you enough and I have a feeling we won't lose touch, for one, I will probably go to Berkeley and (2) your family has meant very much to me. Please stay the same because I love you the way you are. - A very special & dear person.

I Love you,

Laurin

Alex,

It's been a tremendous four years hasn't it? I guess the last one was the best. At least we (well most of us) managed to stay out of trouble, especially at the Doubletree. Too much liquor, I guess. I hope the good times continue for you (I have a feeling they will). Have a partyable summer and best of luck in the future.

Love, Scott J.

Friends has become an important part of the R.L.S. community. We, a group of peer facilitators, worked all year long to unify our school and provide help for anyone wanting to talk to someone other than a parent or teacher.

Our first goal was to help the freshman adjust to highschool. We each met with a group of 9th graders in the gym to answer any questions they had. As well as help them get acquainted with their classmates.

To publicize our aims we held presentations for the faculty, Sponsor's Club, and the entire student body at various times throughout the year. As a group who really cares, we sent cards to students on their birthday, candy canes to everyone at Christmas time, and carnations to the faculty at Valentine's.

One of our most significant activities was the joint organization of Safe Rides, the drunk-driving hotline, with Carmel Highschool. Safe Rides is a program designed to provide a free, confidential ride home to any student who is not in a condition to drive safely, or who wants to avoid being a passenger in such a situation.

At the beginning of the year, we agreed that if we could help just one person during the year, we had achieved our goal. Yes, we did that, but we also helped ourselves, through Friends, to grow and learn individually and as a unified group. We continue to build Friends as a very special organization. We also would like to thank Ms. Washburn and Mr. Young for all of their assistance. We couldn't have done it without them.

Alex-
Well, you made it! Good job, Live. Still got 2 more yechs--Great! well, I am glad that we have become friends. You're really a sweet ♡ and I wish you the best of luck in your future--if ya ever get bored over the summer--call 373-5511! Stay sweet & have a great life. Remember "Hold On Tight To Every Dream of Importance To You!" Your friend- Kimmie Huggins

Alex,
I feel that we have become much better friends this year. I feel that you are one of my best friends at this school. We are able to get along very well which I can't do with everyone. I know that I can trust you with my personal feelings where I have found other friends that I thought I could not trust, I am so glad now it is time for you to learn to ski and now you are invited to go barefoot. I want you to remember that always you have to do is call me and let me know all you want to go. I hope that we can remain friends for a long time in the future.

love always
mark

Alex,
I hope that you realise how privileged to know such a charming women you are. Knowing you has been a far far better thing ~~than~~ than I have ever done before (that's my Ronald Colman impression). All things aside it really has been a pleasure knowing you. Chocolate and I really are different, aren't we? that what keeps the world unique. Have a nice life. Livelongpp.

Love,
Cliff Bonner.

P.S. Sorry if I tend to ramble but I never know what to write in these damn things.

Alex, what can I say.
You're a terrific tennis manager, a good cook, real nice and a lot of fun. (I don't really know that for fact, but hey) (No you really are) Enjoy college, I'm sure you'll be a success in what-ever you do.

Marc & Mora

Alex - didn't we have Fun in Physics? Remember Headley - what a guy. Have fun off at college and don't party too much. Wish me luck as I enter SENIOR year - yes I'm just going to be a senior.

Joe
